Cut the Cord

with PacTool

Cordless Power and Convenience

The new Snapper Shear SS504 Cordless Fiber-Cement Shear combines our famous precision-machined cutting head with a rock-solid, ultra-compact drive motor. Without a cord to trip

you up, the powerful 14.4 volt 3.0 Ah Li-ion battery gives you smooth dust-free cuts even in tight places. The Snapper Shear SS504 is the do-it-all solution for cordless fiber-cement cutting!

Snapper Shear SS504 Cordless Fiber-Cement Siding Shear

- Cuts fiber-cement siding up to 5/16" thick
- Smooth, fast cuts with no airborne dust
- 2 powerful 14.4 volt 3.0 Ah Li-ion batteries
- Ergo-friendly swivel shear head for right and left-handed use
- 40-minute fast charger carrying case
