

**SNAPPER
SHEAR**

Backerboard Beware!

Cut Fiber-Cement Backerboard Indoors (And still keep your job!)

The new Snapper Shear SS524 Cordless Backerboard Shear combines our famous precision-machined cutting head with a quiet-running, ultra-compact motor. Without a cord to trip you up, the powerful 14.4 volt 3.0 Ah Li-ion battery gives you smooth dust-free cuts, faster and easier than score & snap. Indoors or out, the SS524 is the time (and mess) saving solution for backerboard cutting!

Snapper Shear SS524 Cordless Fiber-Cement Backerboard Shear

- Cuts 1/4" and 1/2" HardieBacker® underlayment
- Smooth, fast cuts with no airborne dust
- 2 powerful 14.4 volt 3.0 Ah Li-ion batteries
- Ergo-friendly swivel shear head for right and left-handed use
- 40-minute fast charger and carrying case
